RULE 1006 SUMMARY OF VOLUMINOUS WRITINGS

44 CLAIMS BARRED BY CANADIAN ULTIMATE LIMITATIONS PERIODS

Below is a list of the 44 Canadian PD claims barred by ultimate limitations periods. For each claim, Column 4 of the list indicates the date of installation of a Grace asbestos-containing product in the building at issue and Column 5 indicates the source of this date. Sources include: (1) the James Cintani affidavit (Exhibit D to the Motion), (2) the claimants' responses to certain questions on the Claim Form, or (3) backup documentation that the claimants submitted in support of their claims. Instead of attaching the Claim Forms and claim backup documentation to the Motion, Debtors summarize the relevant content of those voluminous documents in Columns 4 and 5 of this list.
